

Fashion throughout the 60's

early
60's

60-63

- ♥ An extension of the fashion ideas we saw in the 50's. Chanel's cardigan suit idea.
- ♥ Boxy skirt suits and shift dresses, simple but quite bright colors with slim skirts.
- ♥ The era of Jackie Kennedy, the more conical shaped skirt.

mid
60's

64-66

- ♥ The British invasion and that high mid 60's mod look. Mary Quant was the designer who really vanguarded this look.
- ♥ Very childlike, very bold, very fun
- ♥ Twiggy era
- ♥ Space age influence. Lots of metallics
- ♥ strange new textiles

late
60's

67-70

- ♥ Victorian and Edwardian nostalgia
- ♥ The whole look was very romantic and nostalgic, it's what a lot of people call the hippie look
- ♥ The maxi skirt came in
- ♥ The era of Janis Joplin
- ♥ Indian influences
- ♥ Paisley print
